

NEW
TIVOLI

ON TREND FOR URBAN LIFE

AVANT-GARDE AND SOPHISTICATED

New Tivoli projects a confident stance with its stylish new front bumper and red accent tow-hook cover. Be a trend setter, not a follower of fashion.

1. DISTINCTIVE LED HEADLIGHTS WITH AUTOMATIC DIPPING TO AVOID DAZZLE
2. SMART-LOOK RADIATOR GRILLE AND RED TOW-HOOK COVER

PROJECT YOUR CONFIDENT SIDE

With a strong side profile, new Tivoli's muscular character lines project power and purpose.

- 1. LED SIDE REPEATERS
- 2. 18-INCH BLACK DIAMOND CUT ALLOY WHEELS

TIVOLI – THE SMART WORD FOR STYLE

New Tivoli sets the tone. With bold LED lights blended with contemporary design cues, it projects a confident, youthful and savvy look.

1. LED COMBINATION REAR LIGHTS
2. REAR BUMPER INCORPORATING LED FOG LIGHTS

FULLY CONNECTED

The driver-centric cockpit looks and feels elegant and fully integrated.
The controls are perfectly intuitive, while instruments communicate clearly and instinctively.
All designed and carefully considered for optimised control.

1. 10.25 inch colour TFT-LCD cluster 2. 9 inch HD navigation 3. Google Android Auto 4. Apple CarPlay

Cluster navigation screen / Full navigation / AV mirroring / Turn-by-turn

ORANGE INTERIOR

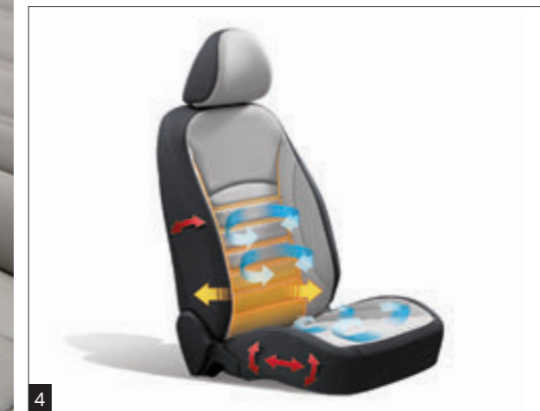

LIGHT GREY INTERIOR

BE STIRRED, NOT SHAKEN

The light and spacious cabin is appointed with premium materials and luxury features to ensure you relax and travel in supreme comfort.

1. Rear seats reclinable to 32.5° 2. Heated front seats 3. Ventilated front seats 4. 8-way power adjustable front seats with driver 2-way lumbar support

-  Ventilated & heated front seat control & indicator
-  8-way powered seat control
-  Driver's seat with 2-way lumbar control

FLEXIBLE LOAD SPACE

With a large luggage volume befitting a mid-size SUV, New Tivoli boasts the largest, best-in-class load capacity: from 423 litres to 1,115 litres. This huge and useable space will become part of your new way of living, and there is even a discrete hidden space beneath the load floor for even greater space efficiency and added security.

CHOICE OF SEATING CONFIGURATIONS Load space in litres

1. NORMAL SEATING (423litres)
- including hidden underfloor space
2. 2nd row 40% FOLDED (696litres)
3. 2nd row 60% FOLDED (842litres)
4. 2nd row 100% FOLDED (1,115litres)

* VDA213 / 214 measurement

TIVOLI - A WORLD OF ADVENTURE

CHOOSE YOUR PERFORMANCE

New Tivoli is powered by a 1.5litre GDI-turbo engine with low-speed torque performance and superior acceleration for a more exciting driving experience. There is also the option of 6-speed manual or 6-speed AISIN automatic transmissions, plus driving mode with the choice of normal, sport or winter driving settings.

1.5 GDI-TURBO PETROL ENGINE

Max. Power (PS/rpm)	163 / 5,000 ~ 5,500
Max. Torque (Nm/rpm)	280 / 1,500 ~ 4,000 (with MT) 260 / 1,500 ~ 4,000 (with AT)
Displacement	1,497 cc
Engine Model	1.5 GDi-Turbo

AISIN 6-SPEED AUTOMATIC TRANSMISSION

Fitted to some of the finest cars in the world, the tested and proven AISIN 6-speed automatic gearbox offers smooth and quiet gear shifting with maximum fuel efficiency.

6-SPEED MANUAL TRANSMISSION

The 6-speed manual gearbox delivers a fun driving experience with maximum driver engagement. Optimised gear ratios ensure smooth and precise gear shifts, improved fuel efficiency and quiet performance.

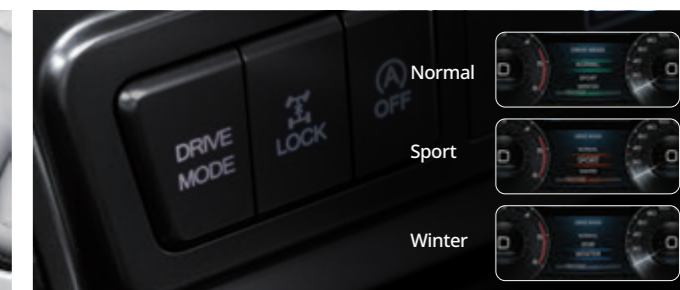

IDLE STOP & GO SYSTEM (ISG)

When the vehicle is stationary (and the brake pedal is depressed), the engine automatically stops running, preventing idling and improving fuel economy.

DRIVE MODE SYSTEM

Selectable drive modes (Normal/Sport & Winter) optimise traction distribution and the gear shift schedule to suit driver preferences and road conditions.

YOU'RE PROTECTED

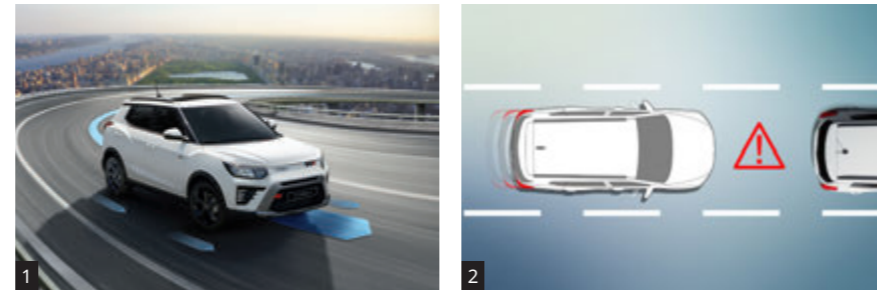

We have you covered from every angle: 360-degrees, in fact.

Our comprehensive active and passive safety features are there to protect you in every imaginable scenario.

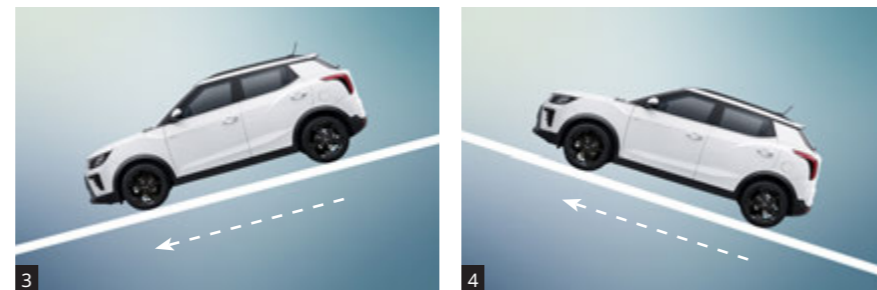

AWD SYSTEM

ELECTRONIC STABILITY CONTROL (ESC)

- 1. Anti-Rollover Protection(ARP) 2. Emergency Stop Signal (ESS)
- 3. Hill Descent Control (HDC) 4. Hill Start Assist (HSA)

**79%
HIGH-TENSILE
STEEL**

BUILT WITH THE MOST ADVANCED HIGH-STRENGTH STEEL

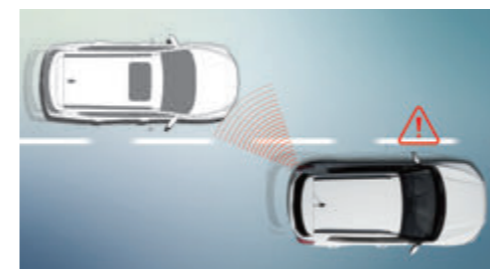

The rigidity, integrity and safety of the bodyshell have been strengthened by using high-tensile steel in 79% of its construction while also utilising Hot Press Forming.

7 AIRBAG 1. Driver's airbag 2. Driver's knee airbag 3. Passenger's airbag 4/5. Driver's & passenger's side airbags 6/7. Curtain airbag

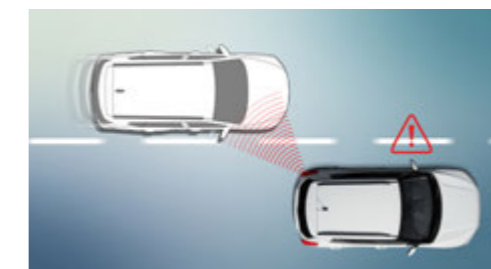

YOU HAVE CONTROL

With a suite of integrated safety controls, you can enjoy a new level of peace of mind when driving around town, on your daily commute or on long-distance cross-country trips, whatever the road conditions.

Blind Spot-detection Warning (BSW)

Automatically assists braking if there is a risk of collision with vehicles in the blind-spot while changing lanes.

Lane Change-Collision Warning (LCW)

LCW utilises sensors to detect and warn the driver about cars approaching from behind in an adjacent lane.

Rear Cross Traffic Collision Assist (RCTA) Rear Cross Traffic Warning (RCTW)

When reversing and an approaching vehicle is detected in its path, RCTA sounds an alarm and automatically applies the brakes to stop the vehicle and minimise the risk of collision.

Safety Exit Warning (SEW)

Warns of the risk of collision with vehicles in the blind spot when an occupant opens a door to get out of the vehicle once stationary.

THE LATEST ADVANCED DRIVER ASSISTANCE SYSTEMS

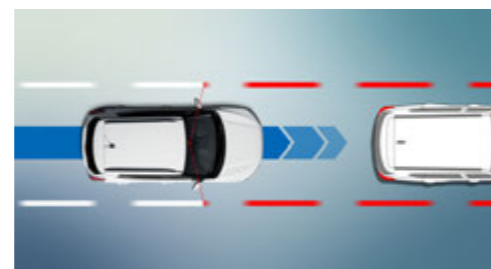

Autonomous Emergency Braking (AEB)

Helps avoid or minimise the risk of collision by detecting slower moving or stalled vehicles and warning the driver in advance.

Forward Collision Warning (FCW)

Alerts the driver when another vehicle or pedestrian appears in the path of the vehicle.

Centering Lane Keeping Assist (CLKA) Lane Departure Warning (LDW)

CLKA uses a front camera to monitor the painted lane markers. On detecting an attempt to change lane without prior signaling, it automatically corrects the electric power steering to keep the vehicle within the intended lane.

Front Vehicle Start Warning (FVSW)

FVSW attracts the driver's attention with a visual pop-up alert and audible sound when the vehicle directly in front starts to pull away.

Safety Distance Warning (SDW)

SDW calculates the distance to the vehicle in front and warns the driver when a safe distance is not maintained.

Traffic Sign Recognition (TSR)

This recognises traffic signs and relays the information displayed on the sign to the driver through the cluster.

Smart High Beam (SHB)

Automatically dips the high beam when an approaching vehicle is detected, making night-driving easier and safer.

Intelligent Speed Assist (ISA)

By detecting the speed limit, this function will warn the driver and help prevent the vehicle from speeding. The speed sign will be displayed on the instrument screen and if the vehicle is over (or under) the speed limit, the driver will be asked to reset the speed.

FEATURES LIST

ENGINE & FUEL SYSTEM	18" alloy wheels with 215/50R tyres
1.5litre gasoline direct injection (GDI) turbo engine (163ps / 280Nm)	18" alloy wheels with 215/50R tyres - diamond cut or black
1.5litre gasoline direct injection (GDI) turbo engine (135ps / 280Nm) (Low power)	Summer tyres
Engine acoustic cover	Tyre repair kit
Electronic cruise control	Temporary spare tyre(125/80R16) with luggage board and luggage side tray
Euro 6e step 3 emission with gasoline particulate filter (GPF)	Tyre pressure monitoring system
Voltage stabiliser	
50litre fuel tank	
Idle stop & go (ISG) system with electric energy management (EEM)	
Single exhaust silencer	
Intelligent speed assist system (ISA)	
DRIVE TRAIN	
Front wheel drive system	
6-speed manual transmission with urethane transmission gear knob	
AISIN 6-speed automatic transmission with leather & grain transmission gear knob	
Active AWD with lock function	
STEERING SYSTEM	
Electric power steering	
Driving modes - Comfort/Sport/Winter	
Manually-controlled telescopic and tilt steering	
Mechanical steering column lock	
Electric steering column lock with dual smart key	
Urethane steering wheel with silver-painted or black bezel	
Leather-covered steering wheel	
Heated & leather-covered steering wheel	
SUSPENSION	
Macpherson strut front suspension with coil springs	
Torsion-beam rear suspension (2WD)	
Multi-link rear suspension (AWD)	
BRAKE SYSTEM	
Ventilated front disc brakes and rear disc brakes	
Hand-operated parking brake	
Electronic stability control (ESC) with anti-lock braking system (ABS), traction control system (TCS), active roll-over protection (ARP), brake assist system (BAS), hill start assist (HSA), emergency stop signal (ESS), hill descent control (HDC)	
WHEELS AND TYRES	
16" alloy wheels with 205/65R tyres	

Height adjustable luggage board and luggage side tray
Floor mats

SEATS
5 seats
Manually adjustable driver's seat with sliding head rest
Manually height-adjustable driver's seat with sliding head rest
Manually adjustable passenger's seat with sliding head rest
40:60 split foldable rear seat with 32.5 degree reclining
Heated front seats
Woven cloth upholstery
Thermoplastic polyurethane (TPU) upholstery including rear seat centre armrest and cup holder
Double raschel and thermoplastic polyurethane (TPU) combination upholstery including rear seat centre armrest and cup holder
Leather upholstery including rear seat centre armrest and cup holder
8-way power adjustable driver seat
Driver's seat with 2-way powered lumbar support
Ventilated front seats

SAFETY
Reinforced monocoque body structure
Door impact beams for optimal protection from side impact
Dual and curtain airbags
Seat side airbags
Knee airbag
Front seat belts with ELR pretensioner, load limiter and anchor pretensioner
Airbag on / off switch for front passenger
2nd row seatbelts with load limiters (both sides) & 3-point center seatbelt
Child seat anchorage for rear seats
Seat belts reminder warning for front and rear all seating positions
Autonomous Emergency Braking (AEB)
Forward Collision Warning (FCW)
Lane Departure Warning (LDW)
Centering Lane Keeping Assist (CLKA)
Front Vehicle Start Warning (FVSW)
Driver Drowsiness Attention Warning (DDAW)
Safety Distance Warning (SDW)
Traffic Sign Recognition (TSR)
Smart High Beam (SHB)
Blind Spot-detection Warning (BSW)
Lane Change-Collision Warning (LCW)
Rear Cross Traffic Warning (RCTW)
Rear Cross Traffic Collision Assist (RCTA) for automatic transmission
Safety Exit Warning (SEW)

CONVENIENCE
Deluxe 10.25" full colour LCD cluster including trip computer
Projection front head lights with leveling
Full LED front head lights with leveling
LED daytime running lights
LED front direction indicators
LED front fog lights
LED rear fog lights
Rear combination lamp with LED stop lights
Side repeater on the fender (standard)
LED side repeaters on exterior mirrors (deluxe)
Automatic headlight control
Hybrid wiper blades
Powered driver's door window with 1-touch lowering
Safety power window on driver side
Bulb interior lights
Dual remote keyless entry system with folding controller
Dual smart key system with auto closing

Anti-theft alarm
Manually operated tailgate
Twin horn
Rain sensing front windscreen wipers
Intermittent rear wiper
Immobiliser with keyhole illumination
Rear parking sensors
Four front and rear parking sensors
Wireless mobile charger

CLIMATE CONTROL
Front manual air conditioning system
Front dual zone auto air conditioning system
Heater and air compressor
Air conditioner filter

AUDIO & VIDEO
9" HD navigation system with link to HD rear view camera including DAB and Glonass
USB memory slot
Bluetooth hands free
Car connectivity - Apple CarPlay & Google Android Auto
Roof-mounted pole antenna
6 speakers
Alcohol interlocks system
